**SCRAPPERS GYM & COMMUNITY FITNESS CENTRE**

**THE PEOPLE'S HEALTH TRUST**

The Scrapstore recently secured £21,000 funding from the People's Health Trust, Active Communities Programme to provide a range of boxing and fitness related activities in the Toothill and Westlea areas of Swindon. The project will improve access to sport for young people between the ages of 13 and 25 years and build stronger communities developing links to schools, creating a pathway from school sport into regular club engagement.

If you know of any young people that would like to participate in this project please contact Olivia on Tel: 07739 023290 or Paul Rogers on Tel: 07505 370383.

Thank you to everyone who has already visited us at the new premises, and for supporting the Scrapstore.

Following the move we were plagued with building issues such as the roller door being inoperable which made our stock levels dwindle until we were able to afford to repair it. We would like to thank all of our members and visitors for your patience during the last few months, collections are being made far and wide to provide new materials to fill our shelves.

If you know of a business that is currently recycling or disposing of items that would be suitable for our shelves please let us know – we will ask if we can **re-use** it first.

PLEASE COME AND VISIT US TO SEE THE ITEMS WE HAVE IN STOCK OR JOIN US ON FACEBOOK FOR REGULAR UPDATES !
